

## Activate Chronos eStockCard v3.1 (Business, Warehouse or Premier Edition)

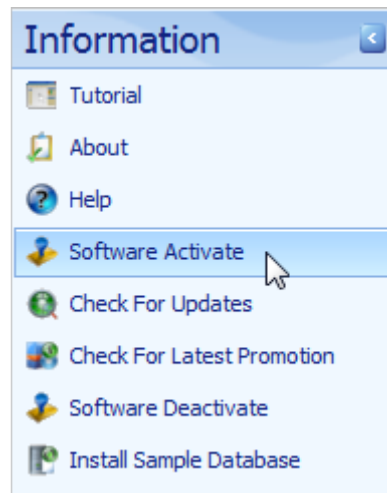

After complete the installation, you can proceed with the software activation. If the Client PC that you want to activate can connect to the Internet, we would recommend you to activate using the 1<sup>st</sup> option. If the Client PC is without Internet access, you can use the second option.

**Option 1 :** Activate directly from the software itself.

**Option 2 :** Login to our website [Client Center](#) and go to "Activation" page. Then follow the steps given to generate the Activation Code.

### Option 1: Steps to Activate Directly from Software

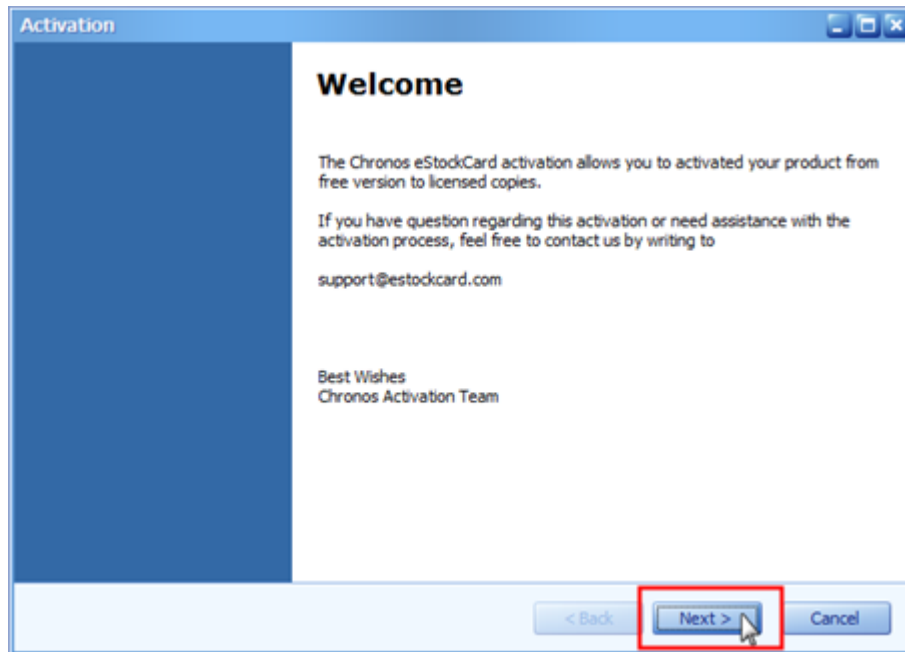

1. Login to Chronos eStockCard v3.1 and go to **Information > Software Activate** (only Client PC requires activation and Server PC no need to activate)

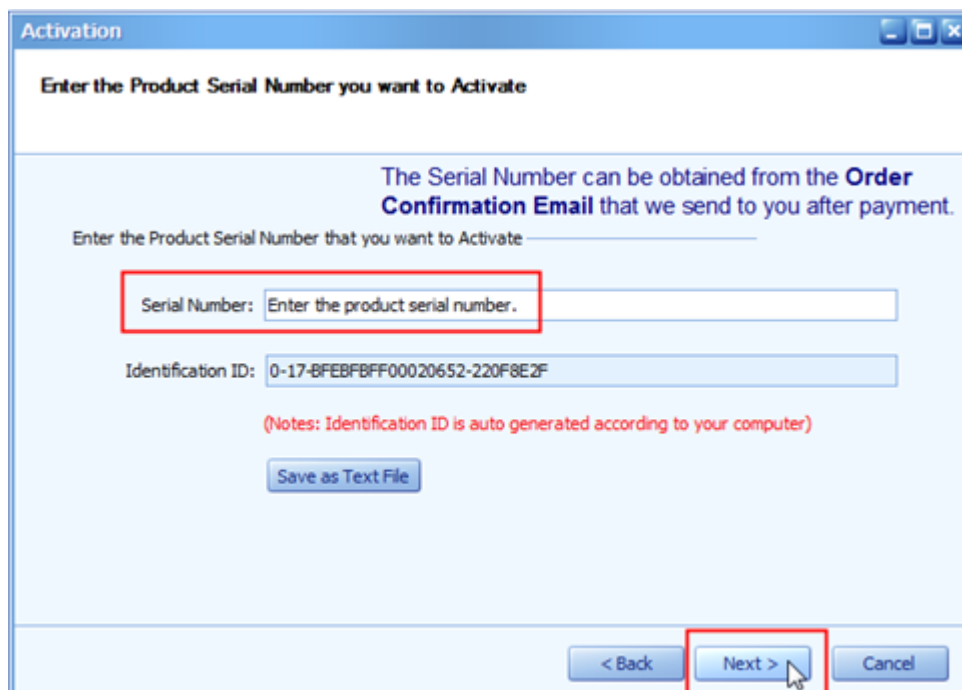

2. Click the **Activate** button to continue.

3. Click **Next** to continue.

4. In this screen, you can see the **Serial Number** field that needs to be filled up and the Identification ID is auto generated by our system. Please enter the Serial Number and it can be obtained from the **Order Confirmation** email that we send to you after payment. Then click **Next** to proceed.

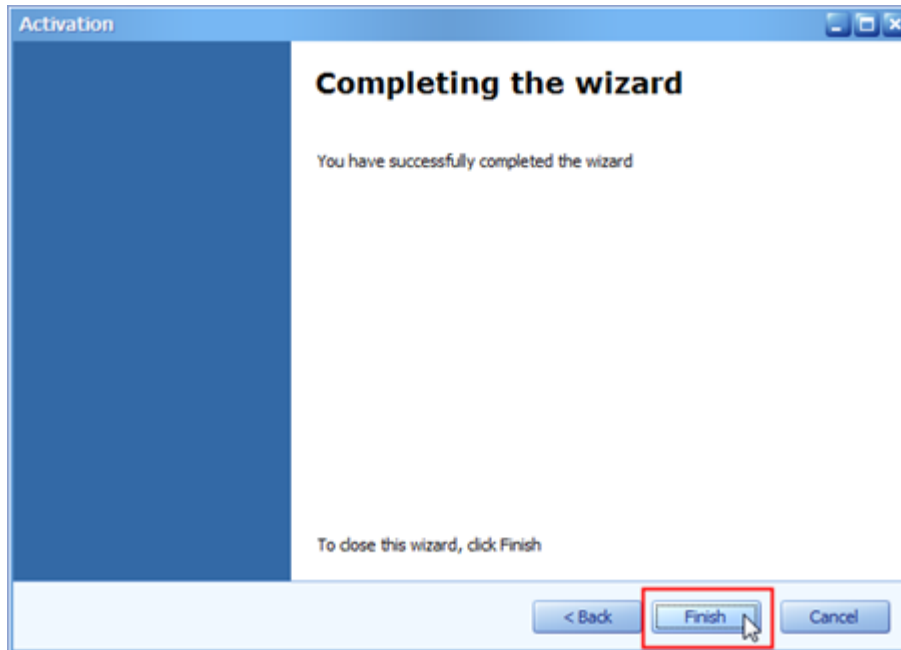

5. Enter the **Email** and **Password** that you used to purchase the software. If you can't remember your Password, you can retrieve it at this page: [http://www.estockcard.com/client\\_center\\_pwd\\_recover.asp](http://www.estockcard.com/client_center_pwd_recover.asp). After you have filled up the required fields, click the **Next** button to continue.

The screenshot shows a window titled "Activation" with the subtitle "Enter Website Credential". The main instruction is "Enter the Email Address and Password that you used to purchase the software." Below this, there are two input fields: "Email Address : Enter your email address" and "Password : Enter your password". A red box highlights these two fields. Below the fields is a red note: "(Notes: To protect your interest, we required end user to enter website login credential, to prevent unauthorize usage of this product.)". At the bottom right, there are three buttons: "< Back", "Next >", and "Cancel". The "Next >" button is highlighted with a red box and has a mouse cursor over it.

6. At this screen you can see the system generated an Activation Code for you. You can save the code for your own reference. Click **Next** to continue to the last screen.

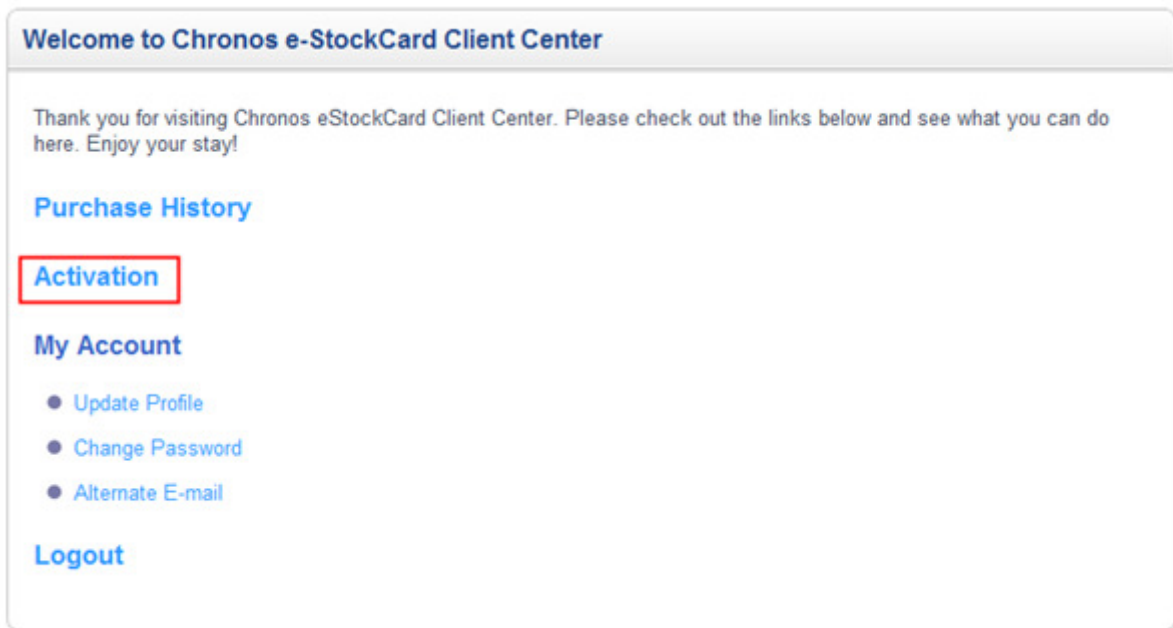

The screenshot shows a window titled "Activation" with the subtitle "Activation". The main instruction is "Generated Activation Code". Below this, there is a text box containing the activation code: "8ITRQWX-7IK6V-A9E64968-01S829YC". A red box highlights this code. Below the code is the label "Sample Activation Code" and a red note: "(Notes: you are advised to save this activation code for your reference.)". At the bottom right, there are three buttons: "< Back", "Next >", and "Cancel". The "Next >" button is highlighted with a red box and has a mouse cursor over it.

7. After activation complete, system will prompt this message. Click **Finish** to complete the activation process and you can start using your full version of Chronos eStockCard v3.1 software.

## Option 2: Steps to Generate Activation Code at Client Center

1. Login to Client Center: [http://www.estockcard.com/client\\_center\\_login.asp](http://www.estockcard.com/client_center_login.asp).
2. Go to "**Activation**" page.

3. In this **Software Activation Summary** page, you will able to see all the purchase records. Click on the **Order Number**.

**Software Activation Summary**
